

Book Club Discussion for Appalachian Holidays

If your book club is reading any of my books, I'd be happy to Zoom with you or join you in person!
I love book clubs & love to travel.

Ideas for Discussion of Appalachian Holidays:

1. Which story/art/poem was your favorite?
2. What made you laugh out loud?
3. Did you understand the Christmas comic? (It took me a few minutes.)
4. Did the stories make you think about the Appalachian region differently? How?
5. If you read the paperback or hardback, did you appreciate the larger type? Let Deb know!
6. Does reading an anthology inspire you to write a short story?
7. What story/art/poem in the book did you relate to most?
8. Which story/art/poem do you want to discuss?
9. Did you learn something new about Appalachian Mountain culture? What?
10. What is your takeaway from this book?
